## About us

In the year 2008 I started my CAREER as field Supervisor in good and quality based Construction Company located in Chennai. Having learned maximum in construction field i rose to the level of Senior Engineer Grade One. Under my supervision I did all types of Construction works (i-e) Individual House, Villa's, Multi Storey Residential Apartments, Marriage Halls and High Roof Ware House's etc., In 2019 I started my own material supply based construction company in my home town Thiruvallur. Our team has well qualified engineers, experienced supervisors, skilled labours. In a short span with almighty blessings and my persistence, self confidence and good support from well wishers Shree Sai Enterprises has created strong, reliable, satisfied customer base and significant process in this sector. Our Quality Material Based Construction Progress Will Continue in Future Too....
